# SCHOOL CHOICE FOR THE 2020-21 SCHOOL YEAR

**January 2020**, starts the annual school choice application process for the 2020-21 school year. Students enrolled in a transition grade (last grade at the current school), will receive a school choice application.

The Omaha Public School's Student Assignment Plan for elementary and middle school students called the Partner Plan (grades K-8) consists of eight (8) elementary partner zones and four (4) middle school partner zones within the district. Your residential address and corresponding neighborhood school determine your partner zone. A student's residence and distance to school determines transportation eligibility. **If you have had a change of address, please contact your child's school immediately as this could impact your Partner Zone and transportation eligibility.**

## **SCHOOL CHOICE UNDER THE PARTNER PLAN**

Families may apply for their child to attend any OPS school. *Approval* of a request depends on *the availability of space* at the student's grade level in the requested school *and these priorities*:

1. Neighborhood school (guaranteed placement).
2. Siblings residing within the Partner Zone are selected first, followed by siblings residing outside the Partner Zone (not eligible for transportation).
3. Students residing in the Partner Zone. OPS remains committed to diversity in our schools. Applications are prioritized within the Partner Zone between schools with significantly different neighborhood characteristics.
4. Students residing outside the Partner Zone (not eligible for transportation). Applications are prioritized for any remaining space between schools with significantly different neighborhood characteristics.

## **TRANSPORTATION ELIGIBILITY** (The school choice application must be received by January 29, 2020)

- Students are eligible for transportation IF they attend their neighborhood school and reside more than 1.0 mile from their elementary school or more than 1.5 miles from their middle school.
- Students are eligible for transportation IF they attend one of their Partner Zone schools and reside more than 1.0 mile from the elementary school or 1.5 miles from the middle school.
- Students are NOT eligible for transportation IF they attend any school outside of their Partner Zone.

## **EARLY CHILDHOOD INFORMATION**

If your child is currently enrolled in an early childhood program and will be age-eligible for kindergarten for the 2020-21 school year, she/he will be enrolled at the neighborhood school. If you would like to be considered for placement at a non-neighborhood school, you must complete the school choice application that will be provided by your child's current school.

**KINDERGARTEN ROUND-UPS** will be held in January 2020. **Please attend Round-Up at your neighborhood school based on your residential address.** School Choice Applications will be available at Round-Up and throughout the month of January for families who wish to request a non-neighborhood school(s). Round-Up dates will be posted on the OPS Web page or check the date with your neighborhood school.

**MIDDLE SCHOOL RECRUITMENT LETTERS** will be mailed in December to families of students currently in the last grade level of their school. The purpose of the letter is to provide information about middle schools and their respective Open House dates.

**If you have questions about the Omaha Public Schools Partner Plan or the School Choice process, please contact the Student Placement Office at (531) 299-0302.**
